

The Oaks Golf Club is open to the public year round & under new ownership as of September 2016. Fantastic & drastic improvements have been made to the course since that time, & we are excited for you to visit us. Bring a group or come by yourself & enjoy a unique golfing experience. We have four tees for all skill levels & a clubhouse where you can relax while enjoying a delicious meal & those “19th Hole” stories about a fun day on the links.

Practice up on the driving range, practice chipping area, & putting green. We are located halfway between Jacksonville & Orlando & serve all the Central Florida area. We have year-round competitive daily rates, several membership options, & specials designed to fit your schedule. Call us or drop by the pro shop for more information. We are excited to answer all your questions! Join us for our fun weekly tournaments or special events throughout the year.
